

Guiji-duix.ai-sdk-1.0.3 Model Community License

Guiji-duix.ai-sdk-1.0.3 Model Community License

I. Definition

"License" means the terms and conditions of use, reproduction and distribution as defined in this Agreement.

"Model" refers to any accompanying machine learning-based components (including checkpoints), including learned weights, parameters (including Optimizer states).

"Data" refers to the collection of information and/or content extracted from the data set used with the model, including data used to train, pre-train, or otherwise evaluate the model. A collection of extracted information and/or content in a data set, which may contain personal or non-personal information.

"Personal information" refers to all kinds of information related to identified or identifiable natural persons recorded electronically or otherwise, excluding anonymized information. The processing of personal information includes the collection, storage, use, processing, transmission, provision, disclosure and deletion of personal information.

"Output" refers to the results of running the model, reflected in the resulting information content. "Training" refers to providing the model with training data to enhance the predictive power of the model.

"Model derivatives" means all modifications to the Guiji-duix.ai-sdk-1.0.3 model, work based on the Guiji-duix.ai-sdk-1.0.3.ai-sdk-1.0.3 model, or work done by Guiji-duix. Any other model created or initialized ai-sdk-1.0.3 the model's weights, parameters, activations, or output patterns are transferred to other models so that the performance of the other model is similar to that of the Guiji-duix.ai-sdk-1.0.3 model, including but not limited to extraction methods that require the use of intermediate data representations or Guiji-duix-based. A method for ai-sdk-1.0.3 models to generate synthetic data to train other models.

"Distribution" means the transmission, reproduction, publication, or otherwise sharing of the Model or Model derivatives by third parties, including the use of the Model as a hosted service provided by electronic or other remote means (e. G., any SaaS software or PaaS software based on API or Web access).

"Licensor" means the copyright owner or copyright owner entity that grants the license, including the person or entity that may have rights in the Model and/or the Model being distributed. The licensor under this Agreement is: Nanjing Silicon-based Intelligent Technology Group Co., Ltd., or its authorized entity or individual to license any third party.

"You" (or "your") refers to the person or legal entity who exercises the rights granted by this license and/or uses the model for any purpose and in any field of use, which is the licensee of this agreement.

"Third Party" means any individual, legal entity or unincorporated organization other than you.

"Commercial Use" means the use of the Guiji-duix.ai-sdk-1.0.3 Model to operate, promote or generate revenue, directly or indirectly, for an entity or an individual, or for any other profit-making purpose.

II. Licenses and License Restrictions

Pursuant to the terms and conditions of this License Agreement, Licensor hereby grants to you a non-exclusive, worldwide, non-transferable, non-sublicensable, irrevocable, royalty-free copyright license. You may use this License for non-commercial purposes. Licensor to you

You do not claim any rights to use the output of the Guiji-duix.ai-sdk-1.0.3 model or model derivatives based on the Guiji-duix.ai-sdk-1.0.3 model, but you must meet the following license restrictions:

1. You may not use, copy, modify, merge, publish, distribute, reproduce or create derivatives of all or part of the Guiji-duix.ai-sdk-1.0.3 Model for any military or illegal purpose.
2. If you plan to use Guiji-duix.ai-sdk-1.0.3 models and model derivatives for commercial purposes, you should register with Licensor in advance and obtain Licensor's written authorization in accordance with the contact information provided in the Annex to this Agreement.
3. Your use and modification of Guiji-duix.ai-sdk-1.0.3 models (including using the output of Guiji-duix.ai-sdk-1.0.3 models or based on Guiji-duix.ai-sdk-1.0.3 Model derivatives obtained from the 0.3 model) shall not violate the laws and regulations of any country, especially the laws and regulations of the People's Republic of China, and shall not infringe the legitimate rights and interests of any third party, including but not limited to personality rights such as portrait rights, reputation rights, privacy rights, copyright, patent rights, trade secrets and other intellectual property rights, Or other property interests.
4. You must provide the source of the Guiji-duix.ai-sdk-1.0.3 Model and a copy of this Agreement to any third party user of the Guiji-duix.ai-sdk-1.0.3 Model or its model derivatives.

5. If you modify the Guiji-duix.ai-sdk-1.0.3 model to obtain model derivatives, you must explain the content of the modification in a prominent way, and the above modification must not violate the license restrictions of this agreement, nor can you permit, assist or otherwise cause a third party to violate the license restrictions in this agreement.

III. Intellectual Property Rights

1. The ownership of the Guiji-duix.ai-sdk-1.0.3 model and its related intellectual property rights shall be owned by the licensor alone.
2. Under no circumstances may you use any of Licensor's trademarks, service marks, trade names, domain names, website names or other distinctive brand features (hereinafter collectively referred to as "logos") without Licensor's prior written consent, including but not limited to express or implied that you are a "Licensor". institutions to use Guiji-duix.ai-sdk-1.0.3 Models for research, educational and scholarly purposes.

2. Further, if you use the Guiji-duix.ai-sdk-1.0.3 model for research, education and academic purposes, you can inform us in advance of your institution name, usage and contact information by email before carrying out relevant research and education, Our contact email is end_sub@hotmail.com, and we may push you updates about the Guiji-duix.ai-sdk-1.0.3 model based on your contact information so that you can better carry out your research, education and academic work.

VI. Brand exposure and significant identification

1. You agree and understand that if you provide an open source license for the model derivative based on the secondary development of the Guiji-duix.ai-sdk-1.0.3 model in the open source community at home and abroad, you need to clearly mark in the open source community that the model derivative is based on the Guiji-duix.ai-sdk-1.0.3 the secondary development of the model, the content of the label includes but is not limited to "Guiji-duix.ai Inside" and other elements of the brand related to the Guiji-duix.ai-sdk-1.0.3 model.

2. You agree and understand that if you will Guiji-duix.ai-sdk-1.0.3 the model derivatives of the secondary development of the model to participate in the ranking activities held by any organization and individual at home and abroad, including but not limited to the ranking activities for any dimension such as model performance, accuracy, algorithm, calculation power, etc, In the model description, you must clearly mark that the derivatives of the model are secondary development based on the Guiji-duix.ai-sdk-1.0.3 model, including but not limited to "Guiji-duix.ai Inside" and Guiji-duix.ai-sdk-1.0.3 model related to other elements of the brand.

VII. Other

1. The licensor has the right of final interpretation of the terms of the agreement within the scope permitted by laws and regulations.

2. The conclusion, validity, interpretation, performance, modification and termination of this Agreement, the use of Guiji-duix.ai-sdk-1.0.3 models and the settlement of disputes are governed by the laws of the Mainland of the People's Republic of China (for the purpose of this Agreement only, excluding Hong Kong, Macau and Taiwan), And exclude the application of conflict of laws.

3. Any dispute arising from the use of the Guiji-duix.ai-sdk-1.0.3 model shall first be settled by the parties through friendly consultations. If the consultation fails, a lawsuit shall be filed with the People's Court in the place where the licensor is located.

Supplementary articles

1. If you wish to use the Guiji-duix.ai-sdk-1.0.3 Model or its derivatives for commercial purposes based on the license conditions and restrictions of this Agreement, please contact Licensor as follows to register and apply for written authorization from Licensor:

Contact Email: end_sub@hotmail.com

2. When you contact the licensor as described above, you should submit the following information and documents to apply for a commercial license for the Guiji-duix.ai-sdk-1.0.3 model:

(1) Information table. You should complete and submit the following information form to the contact email address specified above.

| Name of Applicant | Name of Agent |
|---|--|
| Note: Natural persons may not apply <i>Commercial Licensing of Guiji-duix.ai-sdk-1.0.3 Models</i> | |
